The Board thanks all those who applied, and congratulates the successful appointees.

John, with his business background is moving in to another WGI space; that of commercial opportunities linking into the Representative programme. "Poppa" as he is affectionately known to all the players, will still be seen, offering that succinct and timely word of encouragement on the fairways around the many club and provincial fixtures.

Murray is from the Miramar GC, the Men's Premier team manager and vice Club Captain.
