SHAND SALVER AND MARTON DEVELOPMENT QUAD JUNIOR TEAMS ANNOUNCED

Golf Wellington is pleased to announce their teams to compete in the annual Junior Quadrangular against Manawatu/Wanganui, Taranaki and Hawkes Bay for the Shand Salver and the Pelorus Cup.

The event, teams matchplay for both trophies, is being held at the superb Marton Golf Club in the Rangitikei district in the first week of the 1st term school holidays.

This is the first opportunity in 2024 for players to experience a team event at provincial level, to learn from those who have played previously, and to begin to improve and press their claims for further selection into age-grade teams and ultimately inclusion in the National Junior Interprovincial team's events later in the year.
