

## Wellington Golf Referees Association

# Level Two

## Golf Rules Course Sunday 22<sup>nd</sup> and 29<sup>th</sup> September 2024

This one and a half days presentation is followed by a 2 hour test on the 29<sup>th</sup> morning. Passing the **non compulsory** test will qualify the attendee to progress to be a **District Rules Official**. The presentation is digital/ audio visual and Attendees should have completed the Level One course previously although not necessarily in the same year.

The course is based on the **January 2023 Rules of Golf** as per the R and A website which is available through the R&A's app available at your usual app store.

<https://www.randa.org/rog/the-rules-of-golf>

While the better option is to download the R&A Rules app which is designed to be used in future by all Players and Referees, the 2023 Full Rules of Golf book (FROG) is available for a small charge \$5 if you require one.

**Early registration is recommended because ideally the R and A prereading material needs to be emailed to you on or about 25<sup>th</sup> August to assist your preparation.**
