

Wellington Golf Referees Association

Level Two

Golf Rules Course Sunday 20th and 27th July 2025

This one and a half days presentation is followed by a 2 hour test on the 27th morning. Sitting the test is **not compulsory** but passing with more than 80% will qualify the attendee to progress to be a **District Rules Official**. Attendees should ideally have completed the Level One course previously although not necessarily in the same year.

The course is based on the **January 2023 Rules of Golf** as per the R and A website which is available through the R&A's app available at your usual app store.

<https://www.randa.org/rog/the-rules-of-golf>

The 2023 Full Rules of Golf book (FROG) is available for a small charge \$5 if you require one.

Early registration is recommended because ideally the R and A prereading material needs to be emailed to you on or about 29th June to assist your preparation.
