Robyn Chambers, clubhouse@karorigolf.co.nz
or enter online at www.karorigolf.co.nz

New Zealand has recently been struck by two substantial and devastating weather-related disasters – the flooding in Auckland, and Cyclone Gabrielle.

In response, Golf New Zealand has established a fundraising programme called Golfing for Gabrielle.

A portion of all funds generated by Golfing for Gabrielle will be passed on to the New Zealand Red Cross Disaster Fund for use in the communities in flood effected regions. The remaining portion of proceeds will form the basis of a trust fund which flood effected golf clubs can apply to. The trust fund will be administered by Golf New Zealand.

Donations to Golfing for Gabrielle can be made through this golf club via the office, or through Golf New Zealand's trust account for this purpose. The Golf New Zealand account details are: 12-3107-0018263-01
