

Why gift a Week of Care?

You'll be supporting a vital, unique service in our community: Te Omanga Hospice is the only dedicated palliative care service across the whole of the Hutt Valley and we need to raise around \$2 million each year from donations gifted from our community.

It's your chance to change a life: You will be part of our team, bringing the best possible care and support to people in our community when they need it most. With your help we can ensure every day they have is lived well.

All proceeds from the event go to Te Omanga Hospice

Managed & hosted by BNI Hutt City
